Executive Summary

Significant Differences in Local Office Productivity

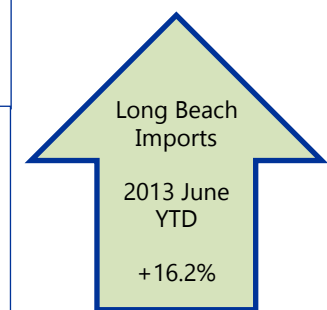

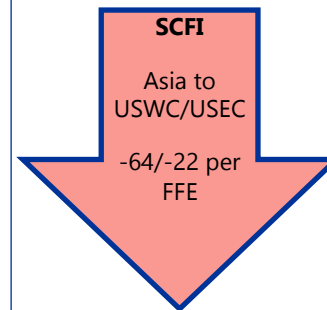

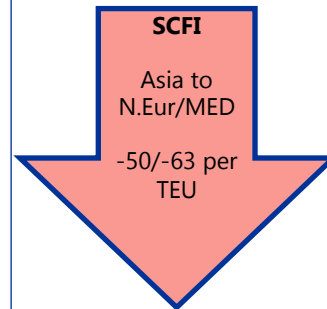

We have taken a look at the carriers' global sales office network and found significant differences between the carriers' number of offices and productivity per office

IMF is again downgrading economic outlook

IMF has issued their quarterly economic predictions for the global economy. We take a closer look at the changes from a global perspective, as well as from the perspective of the main countries. Particularly the emerging market gives rise for concern as the economic outlook is, yet again, downgraded.
